For the Canadian Consortium for
International Education Marketing (CCIEM)

Canadian Consortium for International Education Marketing
Consortium canadien pour la mise en marché de l'éducation internationale

The Canada Course for Education Agents provides valuable and comprehensive information for agents advising families about education opportunities in Canada. The Government of Canada does not authorise, endorse or certify an education agent following completion of this course but, through the exam, can verify that successful agents have completed a comprehensive training overview of education opportunities in Canada.
